3:30 today sounds great and yes, we can use MS Teams – I think in the last several months we've used just about every virtual meeting platform there is! So that works too..

Thanks,

Thanks [REDACTED] Ex. 4 CBI [REDACTED] can I call you at 3:30 PM today? Also, can HDR access MS Teams for a call? I think you can access via your browser even if it isn't downloaded on your computer.

Hi Dean,

We're excited to get started! I wanted to reach out to see what your thoughts were for the kickoff (virtual) meeting - who from EPA will be attending and what dates/times work best for you. I'm happy to set up the Webex and an agenda too if you think it would be helpful... we can chat more about that as well if you like.

I'm still working from home these days so if you'd like to reply to this email or call my mobile that would be great. I'm around all day today.

Thanks much,
